# **GENERAL SALE INFORMATION**

**TIME & LOCATION:** Monday evening, January 19, 1976, 7:00 p.m. - On the Hill, at the National Western Stock Show grounds in Denver, Colorado.

**PRE-SALE PARADE OF SALE CATTLE:** The entire offering of sale cattle will be paraded by classes beginning at 5:00 p.m., directly preceding the sale.

**SALE HEADQUARTERS:** The Denver Hilton will be designated as the sale headquarters. The Hilton is located in downtown Denver.

**TRANSPORTATION:** Commercial airline service is available to Denver via Denver's Stapleton airfield. With prior notice your plane will be met there and transportation to the sale site or sale headquarters will be arranged.

**TERMS:** Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with the consignor from whom you purchase. Be sure to give the clerk complete information on transferring pedigrees and shipment of cattle. All stock will be at the buyer's risk as soon as bid off, although naturally every precaution for the safety and well being of the animals will be exercised. Insurance will be available at the sale.

**HEALTH:** All animals are free of T.B. and Bang's disease and health papers can be furnished for immediate shipment.

**GUARANTEE:** The cattle are sold under the standard guarantee endorsed by the American Shorthorn Association. Where footnotes appear they were furnished by the consignor. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, auctioneer nor consignors assume any liability of any kind.

**LIABILITY:** Although every precaution will be taken to provide for the safety and comfort of those attending this sale, all who attend do so at their own risk. Neither the consignors, auctioneer, nor the sale manager accepts any liability for accidents that may occur.

Dear Cattleman,

It is indeed a pleasure for our firm to represent the many National Shorthorn and Polled Shorthorn consignors in this their annual national sale.

Leading registered herds from throughout the entire United States will be represented in this sale the evening of January 19th On the Hill in Denver.

As in previous years, this year's consignment will include a quality offering of both bulls and females. This sale has always been a source of herd-leading herd sires or big and rugged commercial bulls.

Also to sell will be a very useful offering of bred and open females as well as a few select lots of cow-calf pairs.

Denver's National Western Stock Show has always been a site where purebred breeders and commercial ranchers have met to discuss the changes in their respective fields.

Make your plans now to be in Denver the afternoon of January 19th for the parade of sale cattle and to rub elbows with fellow cattlemen. Then make plans to be present in the evening for this most eventful sale.

If we can aid in any way to make your visit a more pleasurable one, please feel free in calling.

Sincerely,

*Bruce*

**STANDARD GUARANTEE  
of the American Shorthorn  
Breeding Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing name and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.

DUKE OF SWISHER – We, like all Shorthorn breeders, are looking for an outstanding herd bull. We think the Duke, a dual purpose, is one. His 205 day weight: 780 lbs. His 365 day weight: 1090 lbs. Duke has never been beaten in his class this show season. He was Junior Champion and Grand Champion at the Illinois State Fair and All Iowa Fair. Reserve Junior Champion at Dairy Cattle Congress, Waterloo, and Reserve Junior Champion at the American Royal in Kansas City. We think he has tremendous muscling, great length and height and is very correct. We have had many good comments on him. His sire weighs 2200 lbs. and his dam is a very large dual purpose also. With his elevation, muscle, great length and size he can help a lot of beef breeders. We believe he is a top herd bull prospect.
